Dear Margie and Ralph:

Thank you so much again for being so kind and hospitable to the Chalk family. I don't know when the four of us enjoyed anything better than the two days we spent in your camper at the Bastrop State Park. Without your generosity this would not have been possible and we all want you to know how much we appreciate you for this kindness.

Over the past several years no one has shown the kind of personal, genuine interest in our family that the two of you have shown. We are so thankful for friends like you and for the kind of encouragement you give. I need that kind of encouragement from time to time and I thank you so much for the way you give it.

All of us look forward to our association with you in the Sweet Company. There isn't any question in my mind about the unique ministry the Sweet Company has and I pray that because of our association with it God will richly use us and work through us to the blessing of countless thousands of Bible students around the world.

Your brother,

John Allen Chalk
